## ROCK HARBOR DOCKAGE INFORMATION

The town currently maintains 43 slips for recreational vessels and 12 slips for commercial vessels within Rock Harbor on Cape Cod Bay. There is a waiting list for dockage within the harbor. For vessels berthed in or transiting Rock Harbor, Pump-out service is available at the commercial loading dock.

Please be advised that due to its tidal conditions, Rock Harbor is only navigable during the period from 2.5 hours prior to 2.5 hours following high tide.
