Building Department Authorization

Temporary sign permits. 164-35 C 4

Upon at least twenty-four (24) hours' notice, the Building Commissioner may issue, permits for the erection of signs advertising yard or garage sales, open house, special events, and the like.

Not more than five (5) such signs shall be permitted per event. Such signs shall conform to the By-law in all other respects and shall be removed within 24 hours after the end of the event.

Such signs shall meet the dimensional requirement set forth in Section 164-35.I, but shall not exceed fifteen (15) square feet in sign area.

Prohibited signs 164-35 H. The following types of signs shall be prohibited:

- (1) In all zones, any sign which employs intermittent or flashing lights, whirling or similar moving devices or which emits noises or other loud sounds.
- (2) In all districts, any internally illuminated sign or sign employing illuminated gas-filled types or any other sign for which the primary source of light is visible to the public.
- (3) Off-premises signs, except subdivision identification signs at entrances to subdivisions or except signs allowed in public display areas as designated by the Board of Selectmen, or signs advertising yard or garage sales, open house, special events, and the like.
Such off-premises signs may not be installed within a public road layout without approval of the Board of Selectmen or its designee, nor within 2 feet of the travelled way of a road.
- (4) Billboards of a general advertising nature.
- (5) Signs attached to trees or utility poles.
- (6) Sandwich-board or A-frame-type signs, except as provided for in Subsection

164-35 F (3) Size and location.

- (a) Signs shall be governed as to size and location according to the following table:

Setback From Street Line (feet)	Maximum Height for Freestanding or Projecting Sign (feet)	Maximum Sign Area (square feet)
1 – 3	3	6
3 – 10	6	15
10 – 25	10	32
Over 25	12	60
